Beth Foster Long, President

Our 2017-18 year has been an excellent year for the Chattanooga Music Club. An update: In March under the direction of our Scholarship Chair, Janet Sump, we awarded \$13,000 in scholarships. These were such gifted young people. We did not have an organist or a clarinet player participate this year. Our winner of the \$5000 award was a young guitarist named Preston Anastas. For our audience, the afternoon was one of encouragement and appreciation. In our world today, it is such a pleasure to see young people who are so devoted to their art, and excited about studying further. At our Scholarship tea in April, we again enjoyed hearing our winners perform.

Words fail to describe our May program. This was a time of hearing former scholarship recipients in concert, and our creative program chair, Margaret Ann Randolph delighted us all. Since our Chattanooga area had lost in this past year two of our most beloved citizens, Fletcher Bright and Jay Craven, our program honored these two. Both of them had awarded scholarships to the CMC, Mr. Bright in strings, and Mr. Craven in clarinet.

This was such a moving experience, with Maestro Bob Bernhardt leading us in personal memories and experiences he had with these two friends of his. Several of the performers were also personally connected with the two musical giants. Some family members of both were present.

We also found out with sadness that one of our faithful members, Helen Stout, had passed a few hours before the concert.

We are missing our beloved secretary-general, Evelyn Gibbs, but she is now serving as our consultant from Morning Point on Shallowford.
