Dear CMC Members,

I am so honored to serve as President of the Chattanooga Music Club for the 2022 – 2023 year. Our first event was the annual picnic with delightful music of Ralph Miller's New Orleans Jazz Trio.

Our next event will be on October 16 featuring Opera Tennessee with a program of Opera's Greatest Hits performed by talented local singers.

On October 29, the CMC is collaborating with the Chattanooga Symphony and Opera Association with the Monster Mash at Memorial Auditorium. This is a new endeavor for us and a great opportunity to show off the beautiful Austin Organ to the Chattanooga community. Our own Dr. Sarah Harr will play some scary music, maybe a little Bach!. Big thanks to Organ Committee Chair Janet Sump and the new CSO Executive Director and CMC member John Kilkenny.

We are having a big event for the community on Sunday, November 20, at First Cumberland Presbyterian Church. Let's fill the church and listen to music from the Metropolitan Bells and the Choral Arts Society. We might have a visit from Santa! What a treat!

That is just the beginning of the year that Margaret Ann Randolph has lined up for us. I am so dazzled by and thankful for the fine talent we have in the Chattanooga area. I am looking forward to enjoying these musical programs with you.

Betty Anne Neal
